

Control Valves

Isolation Valves

Smart Wireless Devices, Gateways & Networks

Instrument & Valve Services

Regulators

Fisher® – Control Valves, Isolation Valves, Valve Positioners, Controllers and Control Valve Accessories

www.emersonprocess.com/fisher

- Control Valves – Globe, Ball, Eccentric Plug, Butterfly and Severe Service
- Severe Service Control Valves – Noise Attenuation & Cavitation Protection
- Fisher® Z500 Zero-leakage Metal Seated Severe Isolation Valves
- FIELDVUE™ Smart Valve Positioners
- I/P Valve Positioners, Pneumatic Positioners and I/P Transducers
- Steam Conditioning, Desuperheating and Turbine Bypass Valves
- Smart Wireless Gateways, Position Monitors and THUM Adapters

www.emersonprocess.com/wireless

Baumann™ Control Valves www.baumann.com

- Compact, Lightweight Precision Control Valves
- CIP/SIP Aseptic and Sanitary Control Valves and Regulators

Fisher® Lifecycle Services

- Valve Diagnostics, Repair and Encore Remanufactured Control Valves
- Outages, Turnarounds and Valve Startup Services

Fisher® – Regulators www.fisherregulators.com

- Natural Gas Regulators – Transmission, Distribution and Commercial Applications
- Industrial Regulators – Air, Steam, Process Fluid and Sanitary Applications

Tescom – Regulators, Flow Boosters, Manifolds and Controllers www.tescom.com

- Pressure Reducing and Back Pressure Regulators
- PHARMPURE™ Hygienic Ultra Clean Pressure Regulators
- Electronic Regulators & Controllers
- Custom Manifolds/Changeover Systems

Asset Optimization & Education

Emerson Asset Optimization www.emersonprocess.com/optimize

- AMS™ Suite of Applications for Improving Plant Availability and Performance of Production Assets

Emerson Educational Services www.emersonprocess.com/education

- Local, Regional and On-Site Training

Mixers, Agitators, Aerators, and Flocculators

SPX Lightnin www.spx.com/en/lightnin

SPX Lightnin enjoys a global reputation for durable and dependable mixers, agitators, aerators and flocculators for fluid process systems.

Dominican Republic Sales & Service Representative

- Lightnin Small, Medium & Large Top Entering Mixers
- SanStar Sanitary Mixers
- Nettco Portable & Fixed Mount Mixers
- Gear Drive Side Entering Mixers
- Belt Drive Side Entering Mixers
- Inliner – Static Mixers
- Line Blenders (In Line Mixers)
- Mixer Repair/Replacement Parts

Actuation by Emerson Valve Automation

www.emersonprocess.com/valveautomation

BETTIS™

EL-O-Matic™

HYTORK®

Shafer™

TOPWORX

**GO
SWITCH**

Bettis www.bettis.com

- Pneumatic, Hydraulic and Scotch-Yoke Actuators
- Electric Actuators

EIM www.emersonprocess.com/eim

- Electric Multi-Turn and Quarter-Turn Actuators
- Network Control Systems
- Conventional and Smart/Open Communication Protocol Actuators

El-O-Matic www.emersonprocess.com/el-o-matic

- Pneumatic Rack and Pinion Actuators
- Electric Actuators

FieldQ www.fieldq.com

- Pneumatic Rack and Pinion Actuators with Integrated Fieldbus and Conventional Valve Position Feedback Modules

Hytork www.hytork.com

- Pneumatic Rack and Pinion Actuators

Shafer www.shafervalue.com

- Gas/Hydraulic Rotary Vane Valve Actuators
- Electro-Hydraulic Actuators

TopWorx www.topworx.com

- Valvetop® Discrete Valve Controllers and Switchboxes
- GO® Switch Leverless Limit Switches and Position Sensors
- Networx™ Field Networking Solutions
- Wireless Position Monitors

Process Weighing Instrumentation

**HARDY
PROCESS SOLUTIONS**

Hardy Process Solutions www.hardysolutions.com

- Process Weighing, Batching & Filling Load Cells
- Bench & Floor Scales
- Tension Control

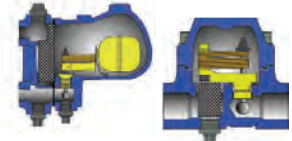

Steam Traps

VELAN

Velan www.velansteamtraps.com

- Steam Traps, Air Traps & Strainers
- Steam & Condensate Manifolds, Universal Connectors and Trap Accessories

Specialty Valves

FISHER®

HABONIM
Industrial Valves & Actuators

Fisher® Z500 Severe Service Isolation Valves

www.emersonprocess.com/fisher

- Tight Shutoff ASME Class 150-4500 Metal Seated Ball Valves Designed for High Temperature and Erosive Process Fluid Applications

Fisher® POSI-SEAL™ www.emersonprocess.com/fisher

- High Performance Butterfly Valves, ANSI 150-1500
- Teflon, Firesafe, Cryogenic or Metal Seals

Habonim www.habonim.com

- Engineered Full Port and Standard Port Ball Valves
- High Purity/ASME BPE Industrial Process Ball Valves
- Steam and Thermal Fluid Ball Valves
- Cryogenic Ball Valves
- Metal Seated Ball Valves
- Fire Safe Ball Valves
- Diverter, 3, 4 and 5 Way Ball Valves

TriTork Butterfly Valves by Virgo www.tritork.com

- Metal Seated Triple Off-Set Butterfly Isolation Valves

Virgo Ball Valves www.virgo-valves.com

- Floating and Trunnion Design Metal Seated, Cryogenic Valves and Top Entry Ball Valves

Gas and Liquid Pipeline Skids, Systems, & Buildings

Pipeline Equipment, Inc.

Pipeline Equipment, Inc. www.pipelineequipment.com

- Design and Fabricate Meter Systems
- Design and Fabricate Liquid and Gas Measurement Systems, Valve Settings, Launchers and Receivers
- Design & Fabricate RTU and Instrumentation Buildings
- Design and Fabricate Custom Equipment per Customer Specifications
- ASME Certified Fabrication Shop – “U”, “R” and “NB” Stamps
